WELCOME TO THE SA WEATHER APP

HERE YOU WILL BE INTRODUCED TO THE COBER PAGE OF MY APP

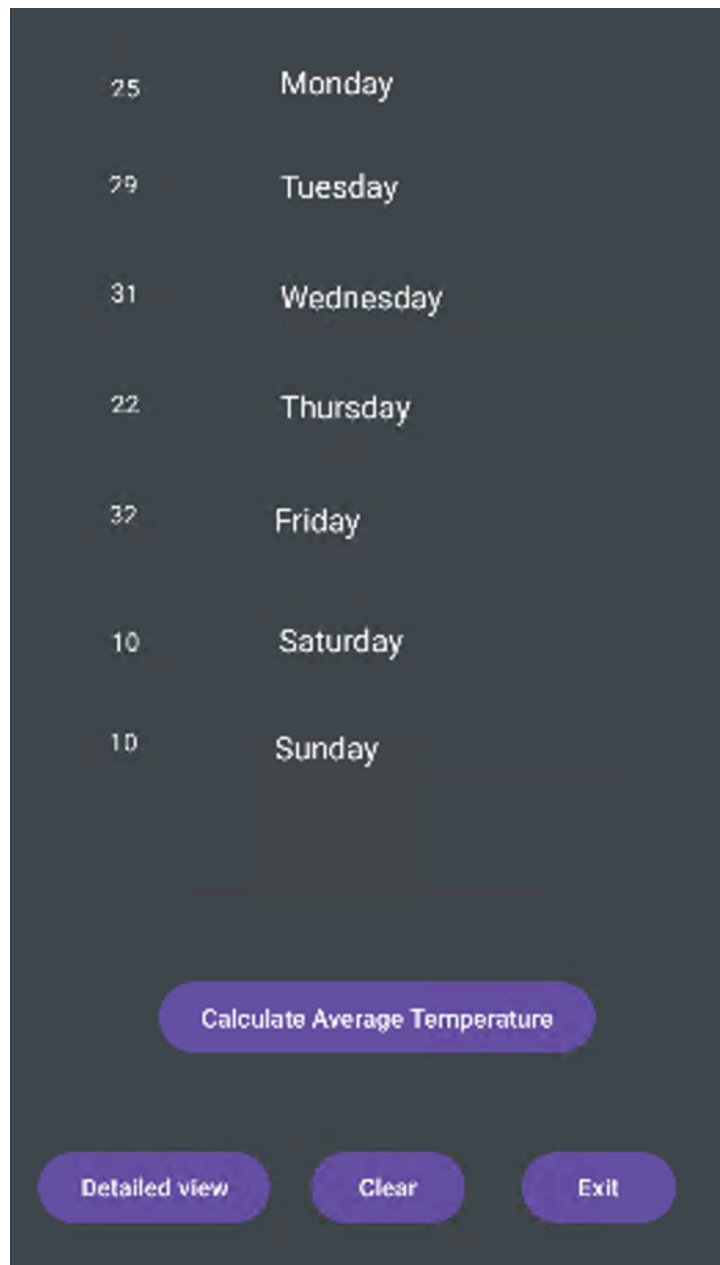

# SA Weather

Main Menu

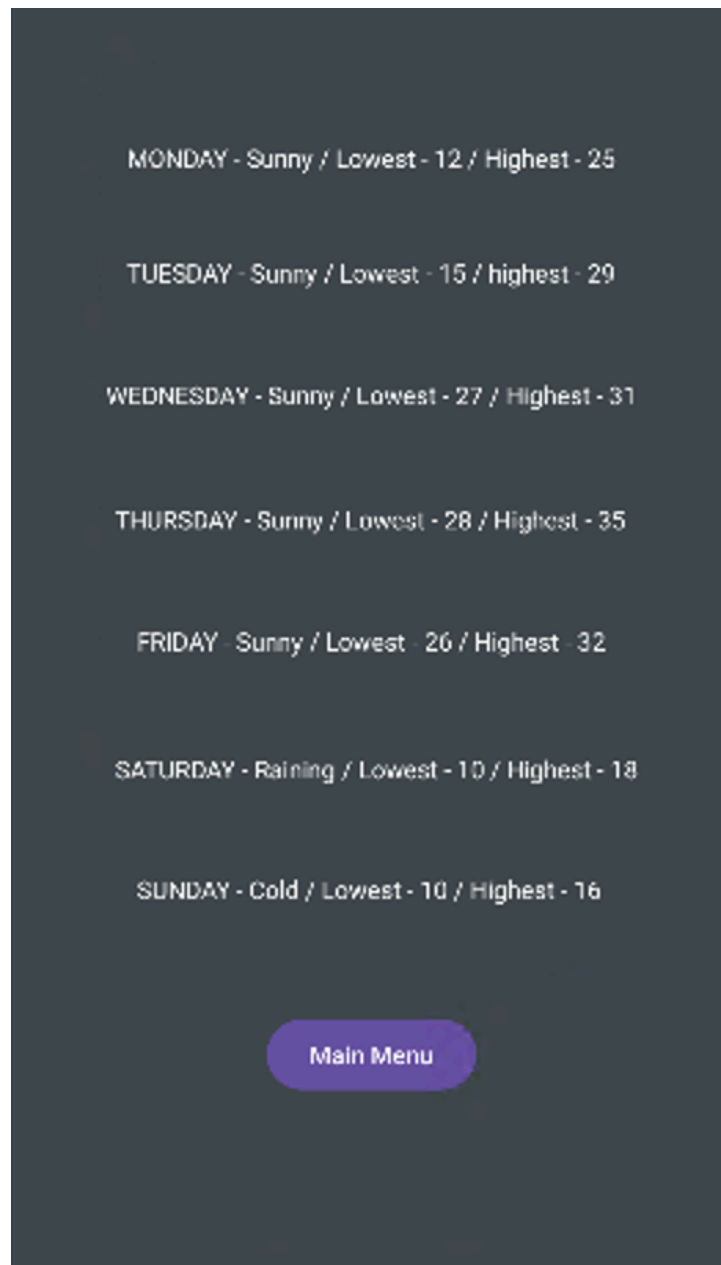

EXIT

You will need to click on the main menu button to continue

Here you are taken to second screen, where the SA weather app will calculate the average temperature for you

if you press detailed view you will be taken the third screen

And here on the last page you will be taken to a more detailed view of what the weather will look like for the week

hope you enjoyed my app :)
